

Project and test management systems. TestRail and Azure DevOps

Assignment

Stefania Pruteanu

1. Transfer the test cases you created in previous classes to the test management system (TestRail or Azure DevOps).

3. Combine them into a test suite and pass it.

Sort: Section | Filter: None

HEADER section 0

- Contains the checklist for UI/UX design and elements
- Test cases for functionality of each element

ID	Title	Status
Checklist 4		
ID	Title	Status
T28	#MA1 - Check that My Account icon displays the dropdown menu with Sign in & Register buttons	Passed
T29	#SGN1 - Check that My Account - 'Sign in' button redirects to the authentication page	Passed
T30	#REG1 - Check that My Account - 'Register' button redirects to the authentication page	Passed

T28 #MA1 - Check that My Account icon displays the dropdown menu with Sign i...

Type	Functional	Priority	Low	Estimate	None	References	None
Automation Type	None						

Preconditions

- User isn't already signed in to My Account

Steps

- Navigate to the homepage, by this link: <https://marketplace.asos.com/>
- In the header's middle section on the right side, find the My Account icon.
- Hover over the icon.
- Check if the dropdown menu appears with the title "MY ACCOUNT".
- Check if under "MY ACCOUNT" title, the buttons for "SIGN IN" and "REGISTER" are visible.

Expected Result

My Account section displays a dropdown menu with the buttons for Sign in, and Register
